Mercedes-Benz StarParts.

Cost efficient. Design efficient.

Mercedes-Benz StarParts are specially developed for selected model series and guarantee a high level of functionality and precise fit.

- ✔ Use of alternative materials
- ✔ Targeted standardisation of variants
- ✔ Reduction of additional functionality

(e.g. elimination of the wear indicator on wiper blades)

Mercedes-Benz StarParts. Success that is plain to see.

You can recognise all StarParts products by their packaging and identify them by their part numbers. Furthermore, they are sourced through the same channels and processes as Mercedes-Benz Genuine Parts.
